# A Bath for the Birds

Level 5 · 18 pages

Nell wants a bird.

No birds come to her yard.

Nell gets a big tin pan.

She fills it with water.

It is a bird bath!

Thud, thud, thud! A big pig comes.

The pig sits in the pan.

Splash! The water is all out!

Nell fills the pan up.

A bird looks and flies off.

The water is too deep.

Nell sets a flat rock in.

Now Nell sits very still.

A wren lands on the rock.

It dips and shakes.

Drip, drip, drip!

Oink! The pig is back.

"Not you, pig!" said Nell.
