A Seed for Lee

Level 4 · 13 pages

Lee got a seed.

"I will plant it," said Lee.

Lee digs a hole.

The seed went in the hole.

Lee feeds it. Lee waits and waits.

Each day, Lee peeks.

No green yet.

Then a bee lands on the hole.

"Buzz! Is it a tree?" said the bee.

"Not yet," said Lee. "It is a seed."

In a week, Lee can see a leaf!

"A seed can be a tree," said Lee.

"Buzz," said the bee. "I will wait."
