Fay and the Kite

Level 4 · 18 pages

Fay has a red kite.

Run, Fay, run!

Up the hill she runs.

There is no wind.

The kite will not go up.

Fay sits on the hill.

"Come, wind!" said Fay.

Whoosh! The wind is here!

Run, Fay, run!

Up goes the kite! Up, up, up!

The wind tugs her hat.

Up goes the hat!

The hat sits on the kite string.

A bird sits on the hat!

"My hat!" said Fay.

The bird makes a nest in it.

Fay laughs. "You can keep it!"

A kite, a hat, and a bird!
