Grandpa's Bun Hunt

Level 5 · 25 pages

Grandpa hid a plum bun. He made four notes for Lin.

At lunch he had on his tall hat. It sat high.

Lin asked him to nod. "Not today," he said.

A big clock ticks in the hall. It has a face.

Max the dog sits in a tub of water.

By the door are three pots. One is big and red.

One is little and red. One is little and blue.

Note one said, "I tick, and I have a face."

Where will Lin look?

"The clock!" said Lin. Note two was on it.

It said, "Sit in me to get wet."

Where is note three?

"The tub!" Note three was on Max's ear.

It said, "Look in a pot. Not big. Not red."

Which pot is it?

The little blue pot! In it was note four.

"Look up high, on top of me," it said.

Who made the note? Where is the bun?

"Grandpa! It is under your hat!"

Grandpa lifted the hat. There sat the bun, flat and warm.

"That is why you did not nod!" said Lin.

She ate the bun. She gave Grandpa a note.

"I have a face and a big grin," it said.

"I am full of bun. Who am I?"

Grandpa looked at the clock. Then he looked at Lin!
