Level 2 · 12 pages

Josh sits. Josh has a dish.

A bug sits on the dish.

"I will catch it!" said Josh.

Up! It is on Josh's chin.

A chin is not a dish!

Up! It is on the cat.

The cat can not catch it.

Up! It sits on a hat.

Josh has the hat on!

Josh can catch it. Will he?

No. "Hush, cat," said Josh.

Hush! It is my hat bug!
