Lion and Mouse

Level 4 · 16 pages

A lion naps.

A mouse comes.

Hop, hop, hop!

The lion wakes up.

"Please, let me go!"

"I can help you."

The lion laughs.

"You? So small!"

But he lets go.

Then, zip! A net!

The lion is stuck.

The mouse runs up.

Nibble, nibble, nibble!

The net falls.

"Thank you, mouse!"

Small can help big.
