Mice and a Bell

Level 4 · 11 pages

Mice in a house.

A cat in the house, too.

Oh no! Here is the cat!

"A bell!" said a mouse.

"Put a bell on the cat!"

Yes, yes, yes!

"But who will do it?"

"Not me!" "Not me!"

No mouse will do it.

The cat naps.

Easy to say. Hard to do.
