The Wiggly Tooth

Level 5 · 12 pages

Pia has a wiggly tooth.

She wiggles it with her tongue.

"It will fall out," said Ben, her big brother.

"Then a big tooth will grow in."

Pia is not sure. She likes her tooth.

At lunch, Pia bites a red apple.

Her tooth is in the apple!

Pia runs to the mirror. There is a gap in her smile.

"A big tooth will grow in," said Mom.

"It must last all your life."

"So brush it two times a day."

Pia brushes and brushes. Then she smiles at the mirror.
