Thud in the Shed

Level 2 · 12 pages

Beth sits in the sun.

Thud! It is in the shed.

Thud, thud! "Dad!" said Beth.

"Is it a pig?" said Dad.

"Is it a dog?" said Beth.

Dad can look in the shed.

It is a hen!

On, off, on, off the tub!

The hen hops and hops. Thud!

Six eggs! Beth can see six!

"Hush," said Beth. "Hush, Dad."

The hen sits on the eggs.
