Who Eats the Lettuce?

Level 4 · 12 pages

Something eats the lettuce at night.

Ben and Jen see the holes.

“Who is it?” said Ben.

“A bug?” said Jen.

They wait with Dad at dusk.

It is still. Then, chew, chew!

Dad turns on the flashlight.

Rabbits! A mother and three babies.

They are eating the lettuce.

Ben and Jen smile.

“We will share,” said Jen.

The rabbits hop home.
